

Consumer Data Privacy Policy

Custom Advertising Products, Inc. takes its responsibility for managing security and compliance very seriously and has established policies, processes and controls designed to ensure the protection of your Personal Data, including a variety of security strategies intended to prevent unauthorized access to your Personal Data.

How We Secure Personal Data

We are committed to protecting the security of Personal Data. We use a variety of security technologies and procedures to help protect Personal Data from unauthorized access, use and disclosure. When you provide us with sensitive Personal Data (such as financial information) we encrypt that information via SSL. While we strive to protect your Personal Data, we cannot ensure or guarantee that the Personal Data or private communications you transmit to us will always remain confidential, and you do so at your own risk.
